

PRODUCT DATA SHEET

DECK-CLEAN

DESCRIPTION:

Enviro Floors Deck-Clean is environmentally safe domestic and commercial exterior maintenance cleaner that will clean and remove mould, mildew from timber decks, timber walls, windows, cladding, patio, lattice & outdoor furniture, fences, walkways, paths, paving, concrete driveways, synthetic grass tennis courts, hard courts, roofing and brick, concrete of stone walls, canvas & vinyl, any painted surface, eaves, guttering.

FEATURES:

Exterior maintenance cleaner for Domestic and Commercial areas.

DIRECTIONS FOR USE:

DIRECTIONS: Sweep, hose or power wash off affected areas from dust, grime and other debris. Hose down with water first, then wait for water to drain off leaving a damp look. Work out of direct sunlight if you can or on a cool surface this will enable the correct results before drying out.

When it starts to dry out, give a light spray with water. Mix 1 Litre of Deck-Restorer with 1 Litre of water. Ratio is 1:1 when it starts to dry out, give a light spray with water. Apply Deck-Clean with a hand sprayer or watering can, allow 5-10 minutes when it starts to dry out, give a light spray with water for Deck-Clean to work in and do its job then scrub with a stiff bristle broom or brush all over the area's in the direction of the timber grain, then rinse off using water with garden hose or power washer if necessary apply a second coat.

Deck-Clean is a unique with its cleaning power and lasting effect, will not harm most plants provided they are hosed down well immediately after contact with the product.

CLEAN-UP

Simple clean up tools and containers with water.

PROPERTIES AND DATA

Ingredients	-	Quaternary ammonium based detergent.
Colour	-	Light yellow
Odour	-	Ammonia odour
Density	-	1.02 S.G.

Stability	-	36 months in sealed containers (always shake before use).
Coverage	-	40 mop buckets per Litre
Safety	-	Avoid inhaling neat vapours and also avoid eye contact.
Packaging	-	1 Litre recyclable plastic container 5 Litre recyclable plastic container 10 Litre recyclable plastic container

Environmental, Health & Safety Information

Contains: Sodium Hypochlorite and Sodium Metasilicate

CORROSIVE. CAUSES SEVERE IRRITATION AND BURNS TO EYES, SKIN AND RESPIRATORY TRACT. Contact with eyes may cause severe burns with possible corneal damage or blindness. Skin contact can cause severe irritation and burns. Inhalation of vapours and mist may cause irritation to eyes and respiratory tract. High concentrations can produce severe irritation and burns to respiratory tract. Ingestion may cause gastrointestinal corrosion, vomiting and diarrhea.

Use only with adequate ventilation. Do not breathe vapours, spray mist or sanding dust. Avoid contact with eyes and prolonged or repeated contact with skin. Wear eye protection or face shield. Wear butyl gloves, impervious apron, boots and other clothing If needed to prevent contact. If spraying (only outdoors), use a NIOSH approved respirator. If you experience eye watering, headaches or dizziness, increase fresh air or wear a properly fitted vapour/particulate NIOSH approved respirator during application, sanding and clean up. Follow respirator manufacturer's directions for use. **DO NOT MIX OR USE** with other household cleaners or chemicals. Close container after each use. Wash thoroughly with soap and water after each use. Exercise caution when working on surfaces that are wet, especially from cleaner. Wet surfaces are extremely slippery.
