PRECAUTIONS FOR USE:

Personal protection:	No special instruction as Enviro Floors Squeaky Clean is a very mild detergent (akin to Baby shampoo) As with any chemical product, keep out of reach of children.
Engineering controls:	

SAFE HANDLING PROCEDURES:

Storage and transport:	No special requirements.
Spills:	Use vermiculite to absorb spills and containerize for disposal as solid waste. Alternatively, as material is on-toxic it may be flushed into a sewer line.
Disposal:	Dispose of absorbed material as solid waste.
Fire or explosion hazard:	No unusual fire or explosion hazards

OTHER INFORMATION:

Ecotoxicity:	This product is not expected to be harmful to the environment.
Toxicity:	Components of this material are not listed as suspect carcinogens per OSHA or International Agency for research on Cancer (IARC). Not mutagenic in Ames test.
Incompatible materials:	Strong acids, bases and oxidizing agents.
Hazardous decomposition:	May liberate toxic products when burnt including CO and Carbon dioxide.
Conditions to avoid:	None known.

Note: All materials present hazards known and unknown. Unknown hazards may exist for all materials so caution in use is recommended. Enviro Floors provides this SDS information in good faith believing it to be accurate and representative.

Final determination of adverse personal reaction is the responsibility of the product user.
